Brand new building just opened fall of 2023

CHI Centralia is a new residence hall recently constructed three blocks from the campus of Centralia College. It is fully furnished. All you will need is your backpack, suitcase and computer. You will enjoy a collegiate living experience with other students at Centralia College which will include:

- Fully furnished room with bathroom and shower shared with a roommate
- State of the art high speed internet service included with your rent
- A furnished common area with kitchen and appliances

CHI Centralia:

- A short walk from campus
- A safe, friendly place to live
- A manager lives in the building 24 hours a day to help you
- Security cameras protect the building 24 hours a day
- Located in a quiet neighborhood with services nearby
- A smoke free and drug free facility
- Monthly activities enable you to get to know and make friends with the other students living here. CHI is more than an apartment.
- CHI encourages you to be your best. Academic and athletic excellence is encouraged and supported.

Make the most of your time at Centralia College living with other students in the fully furnished new CHI residence hall!
